## POTATO DIGGERS

Now is the time to buy a potato digger. We have the Rice and the Aspinwall diggers.

The Rice Potato Digger is the best working and lightest draft wheel digger on the market. Stone, sod weeds, clay, sand or side hills cut no figure—goes from start to finish.

A very important feature about this digger is that the elevation is long and low down. Two horses will do the work with the Rice digger where other diggers require four horses.

See us before buying.
